BLT

Prawn Marie Rose

*A breakfast tea story

Working with Nether Edge based Birdhouse Tea Company, we have created our own unique 4 blend breakfast tea (traditionally there are only 3).

We chose 2 Ceylons, one adding body & bitter notes, the second adding a mellow background & finish, Assam for body & creaminess and Kandy for a touch of sweetness...

The result is a unique breakfast tea that's the perfect accompaniment to our afternoon teas.
